When the night falls

Låtskrivartrion Albertus Fagerström&Lennartsson

We stand here in the si - lence   you hol-ding me tight

I feel safe and I feel   warm_   in the late cool sum-mer   night

But in the glare of the street- lights_   my heart beats fast__   I need this to last

When the   night   falls   and the moon-light throws dark sha-dows   on the

walls.__ When the sky   is   co-vered with stars   and the   dark - ness   hides my

face, I dare to tell_ you,   I   love you,   I   love__ you.__

And if I could stop the   time_   for just one   se-cond   more

I would show you all my   love_   That it's you, that I'm wai-ting for_
